

Caregiver Visits are ESSENTIAL!

It has been a long, hard year for our residents and their families! We were fortunate enough to start having some small family visits outside in September and quickly moved to limited indoor visits. The family visits have been wonderful & uplifting for the residents and most important for the families to be able to keep up with their loved one's care!

Heritage Plaza Nursing Center in Texarkana
offers **INDOOR FAMILY VISITS!**

Heritage Plaza Visitation Policy

Visits are private & held inside the
resident's room!

HUGS ALLOWED!

- Each resident can have up to two (2) designated essential care giver visitors of their choice
- Visits must be scheduled by calling the facility. We ask for a 24-hour notice of each visit.
- Designated essential care giver visitors can visit daily as scheduled and both visitors can visit at the same time.
- Each visit is scheduled between the hours of 10 A.M. to 6 P.M. any day of the week.
- The first visit will consist of a short PPE training before the visitor is allowed inside the building.
- We do have an outdoor visitation area set up for any family member that would like to visit.
